GRAND KIDS LEARNING CENTER

NEWS UPDATES APRIL 2024

Dear Valued Grand County Community Member or Business,

In 2024 Grand Kids Learning Center is thrilled to share that we are embarking on a proactive journey to enhance and expand our service reach, facilities, and overall impact.

As an essential business supporting early childhood education, we consider our community partnerships invaluable. As a key stakeholder, your contribution to our shared commitment to quality child care in our community is highly valued.

To keep you informed and involved, we were excited to start these regular updates on our progress at the beginning of the year. These updates will continue to cover a spectrum of topics, including expansions, new services, fundraisers, partnerships, grants, and more. We understand the significance of our role in the community and believe that keeping our partners informed is crucial.

Your feedback is essential to us, and we warmly welcome any questions or suggestions you may have. Thank you for being a valued partner in our community. Together, we can continue to make a positive impact on the lives of the children we serve.

RIBBON CUTTING - GRANBY LOCATION

We appreciate all the community members that came out to celebrate our Granby location opening! We were happy to spring into this new adventure with a ribbon cutting on the first day of spring. Read the full story covered in [Sky-Hi News](#).

BUILDING GRAND COUNTY'S FUTURE!

Our expansion continues moving in the right direction as we have worked on completing a 10 year proforma for the project and our business, we are working on finalizing a lease, and we have completed interior plans for the new classrooms. This new building will house 8 out of our 10 classrooms in Fraser. Please see the drawings below.

FUNDING UPDATE-THANK YOU!

- We received \$10,000 from the Weathertop Fund for our expansion in the Victoria Village project.
- We are grateful to have been selected as the secondary beneficiary of the 2024 Grand Gala that took place on April 20th. We are looking forward to seeing the final totals of our generous community soon, so stay tuned!
